BEAUTY BREAKTHROUGH
La Potion Infinie, £147, by Argentum (right) is the new luxury cream on the block. With silver hydrosol (actual silver particles suspended in liquid) as the key ingredient, it has antibacterial properties while stimulating collagen and elastin synthesis, too. It's not cheap, but a little goes a long way, and it's ideal for those with sensitive skin who want to swing a powerful punch at the early signs of ageing.
